**CRIMES IN ST. LOUIS
ARE DOUBLED WHEN
VICE ZONE IS SHUT**

(Telegram from St. Louis to the Denver Post of Wednesday, April 1st.)
St. Louis, April 1.—Crimes against women have increased almost 100 per cent in St. Louis since the board of police commissioners a month ago abolished the segregated vice quarter. Since the resorts on Lucas avenue were closed, complaints have been coming in from all parts of the city that the former inmates of the segregated quarter are invading the residence and business parts of town.

Police investigation has disclosed that many women are now active in manufacturing and massage parlors. Adv.

Davidson Case to Jury.
Winchester, Ky., April 3.—Lawyers expressed their opinion today that the case of John Davidson, charged with complicity in the murder of Edward Callahan, former sheriff of Breathitt county, would go to the jury tomorrow. It was decided that the trial of the fourteen other men held on a similar charge, should go over until the summer term of the court, as it was estimated that four weeks would be required to try all the defendants.

Abe Johnson and wife testified today that on the Saturday before the shooting of Callahan, Davidson and Fletcher Deaton, were at the Johnson home and said they "would have to get Callahan out of the way or he would kill all of them," meaning Davidson and his men.

Mrs. Johnson swore that on the Sunday before Callahan was killed, Fletcher Deaton and Davidson said, "Leaves were coming out of that. It would be a good time to get rid of Callahan."

Don't hesitate! A laxative is necessary if tongue is coated, breath bad or stomach sour.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.
If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother, see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.
Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they thereby have its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company." Don't be fooled!

DREARY CONDITION**

(By Leased Wire to Evening Herald.)
New York, April 4.—The market closed steady. With no developments to shape the course of speculation the stock market today lapses into a commonplace condition. Recent speculative selling was thought to have discounted the unfavorable features of the present situation and the movement during today's session was slightly upward. Trading in stocks with a large speculative following was limited. Rock Island and Gould issues were steadier, forced liquidation of the securities having been suspended.

The closing prices on the more important stocks were:

Chicago Grain

Chicago, April 4.—Unfavorable weather drew traders to the selling side of wheat today and pulled down prices. Dispatches from Texas and conditions pointed to a bumper crop and there were advices almost totally flattering from other states. Heating commission orders, however, to buy at a decline checked the bears. Opening figures, which were a shade to be lower, were followed by a moderate further setback.

Selling by leading houses weakened corn. Prices started 1/4 to 3/4 to 1/2 lower and after a slight rally turned again down grade. Oats eased off with other grains. Business was light.

In provisions business developed owing to lack of support. After opening 5c lower to 2 1/2c up the provision market sagged all around.

**PINNEY APPOINTED
RECEIVER FOR HUB
CLOTHING COMPANY**

The Hub Clothing company, Sec-
ond street and Central avenue, went
into the hands of a receiver today.
The receiver was declared involun-
tarily on petition of Erastus Pinney,
vice president of the concern and a
principal stockholder. Judge Ray-
mond appointed Mr. Pinney receiver.
In his statement to the court Mr.
Pinney said the company owed about
\$10,000 and had reached the end of
its resources as a going concern. Ju-
dicial management of the assets, he
added, would greatly benefit the
stockholders and the creditors.

Among the liabilities is a note for
\$1,500 owing Mr. J. P. Ponce. The
other liabilities are mainly bills due
for merchandise.

A. B. Loken, president of the com-
pany, admitted the insolvency of the
company and agreed to the appoint-
ment of a receiver. Mr. Pinney will
take over a bond for \$5,000. John
Venable represented him in the court
proceedings.
